Enerdata Content Publishing Agreement

ENERDATA SAS thereby allows the publishing of the executive briefs or publication that they will send to _____ starting from now, without charge, royalty-free, on a non-exclusive basis, throughout the world in _____ language, on _____'s website _____ under the following conditions:

- 1- The source name must be explicitly display at the bottom of each piece of data or picture/graph, as it is done in the original executive brief / publication.
- 2- The link to the original sources must be clickable, in this case corresponding tags must not be deactivated in the html code.
- 3- Enerdata must be quoted as a source as such:
 - a. For the whole executive brief / publication:
 1. Author Name (Enerdata and Enerdata author), Initials (year, date).
 2. Document title + link to the original publication webpage, starting with <https://www.enerdata.net/publications/>
 - b. For each and every graph / illustration / table
 1. Enerdata + link to <https://www.enerdata.net>
 2. And the name of Enerdata source platform + link starting with <https://www.enerdata.net/research/>
- 4- Collaboration with Enerdata on social media. If published on social media, the Material includes a redirection to the Enerdata LinkedIn (<https://www.linkedin.com/company/enerdata/>) or BlueSky account (<https://bsky.app/profile/enerdata.bsky.social>).
- 5- Enerdata SAS must be provided with a link to your webpage as soon as it is published. Enerdata will report if any issue occurs, or any mistake appears.
- 6- The Material shall neither be sold, nor be published for any other purpose than the one stated in this agreement.
- 7- Enerdata shall not be held liable for the Material and its use in the context of this Agreement

- 8- Enerdata is not responsible for the use, interpretation, or outcomes resulting from the combination of our data with data from external sources

Kindly sign this letter, which will serve as the formal agreement between ENERDATA SAS and _____.

and send it by email to: content-permissions@enerdata.net

Please keep a copy of this agreement, when fully executed, for your files.
